LUKOIL SRBIJA OFFICIAL GAS STATION FOR THE VOLLEYBALL FEDERATION OF SERBIA

This Agreement, which marks a three-year cooperation and means that the Company has become the official gas station for the Volleyball Federation of Serbia, was signed by Zoran Gajić, the President of the VFS, and Igor Semeničev, the General Director of "LUKOIL SRBIJA" AD

Zoran Gajić pointed out the excellent results achieved by the national volleyball teams, thanking LUKOIL SRBIJA for its support of this winning team, noting that the fuel will be used to organize various regional and federal training sessions for the most promising girls and boys, in all selections.

Igor Semeničev congratulated the Volleyball Association on its excellent results, stressing that it is an honor to be a partner of champions, wishing them new successes in upcoming competitions.

On this occasion, Zoran Gajić presented Igor Semeničev with a jersey from the women's senior national team signed by all players and members of staff who won the world championship title in Japan, as well as a volleyball.
