RUSSIAN MINISTER OF ENERGY ALEXANDER NOVAK VISITED LUKOIL'S  
STAND AT THE WORLD ENERGY CONGRESS

Today, within the framework of the World Energy Congress held in Abu Dhabi under the patronage of the Ministry of energy of the United Arab Emirates, Minister of Energy of the Russian Federation Alexander Novak visited the stand of PJSC LUKOIL.

Denis Dolgov, Vice President of PJSC LUKOIL for Power Generation, and Mara Salikhov, Managing Director of LUKOIL Mid-East Limited, welcomed the Minister to the company's stand and thanked him for supporting LUKOIL's activities in the Middle East.

Alexander Novak, in turn, expressed his gratitude to the Company for its active participation in the event aimed at strengthening business ties between Russia and the countries of the region.
